**AFFIRMATION OF CLAIMANT [MICHAEL COLLIER] IN OPPOSITION TO
DEBTORS' 313th OMNIBUS OBJECTION (TO RECLASSIFY PROOFS OF
CLAIM AS EQUITY INTERESTS) DATED JUNE 4, 2012**

[MICHAEL COLLIER] affirms under penalties of perjury as follows:

1. I was employed by Lehman Brothers Limited, a Group Company of Lehman Brothers Holdings Inc from 16th October 1989 to 31st December 2011. I transferred employment with Lehman Brothers Limited on the 1st January 2012 under TUPE regulations to PMP Building Management Limited as of the date of this affirmation notwithstanding the appointment of Administrators to Lehman Brothers Limited on 15th September 2008.

3. In line with the CSA Awards granted to me by Lehman Brothers Holdings Inc for the years 2003 to 2006, I am entitled to an issuance of the appropriate number of Lehman Brothers Holdings Inc shares in full on 30th November 2008 to 30 November 2011 respectively. In addition I anticipate I remain entitled to the issuance of the Lehman Brothers Holdings Inc shares relating to 100% of the 2007 CSA Award and 2008 CSA Award on 30 November 2012 and 30 November 2013 following the transfer my employment under TUPE regulations with Lehman Brothers Limited through to the respective dates.

4. Pursuant to the CSA Agreements, I recognize that I remain contractually obligated to avoid engaging in any "Detrimental Activity" and that I have other ongoing contract obligations under these Agreements. *See, e.g.*, Debtors' Dec. 15 Omnibus Reply at pp. 65-68 (RSU Agreement for 2004).

5. After my entry into the CSA Agreements I continue to perform all of those contractual obligations.

6. Attached hereto as Exhibit 1 is the original Proof of Claim that I filed in connection with my contract rights under the CSA Agreements. This initial Claim was assigned Claim No. 0000011588.

7. I was provided with this Proof of Claim form by Debtors. In the form provided, Debtors had largely completed the form, including inserting the caption, a bar code and supplying my name and address.

8. On the attached Exhibit 1, all of the typed information was contained in the form when Debtors provided it to me. I added only my phone number, email address, the amount of the claim, included with this amount was \$194,885.44 (based on an "Executive Compensation Summary" provided by Lehman Brothers, which I attached), and my signature and date. All of these documents are attached with Exhibit 1, together with Debtors' acknowledgement of receipt of the proof of claim.

10. The practice followed each year by Lehman Brothers was to provide a form stating the bonus to which I was entitled for the year, and describing the portion of the bonus that was to be awarded and reserved by Lehman Brothers Holdings Inc pursuant to the CSA Agreement for that year.

11. I never paid any income tax nor social security contributions on the portion of any bonus reserved under the CSA Agreements. For prior years (i.e. for CSA awards made through

to 2002) , not at issue here, after my interests vested and the relevant CSAs were converted to LBHI shares, Lehman Brothers would retain a portion of the awards to cover the appropriate withholding taxes, and then provide me with balance of LBHI shares. The entire amount of the bonus was treated as ordinary income to me and was taxed at ordinary income rates at the date that the LBHI shares were released to me. My understanding is that Lehman Brothers was entitled to a business expense deduction for the amount of this portion of the bonus, but only at the time that it was actually paid or shares delivered.

12. The economic substance of the CSA Agreements to me was that a portion of the bonus that had been declared for me was held back, and would be delivered to me only after passage of five years, during which I was subject to ongoing contractual obligations. At no time did Lehman Brothers Holdings Inc suggest that I had ever failed to perform any of these contractual obligations, the breach of which could result in rescission of my bonus. However, under the terms of the CSA Agreements, Lehman Brothers was not required to pay me anything from this reserved bonus, and in fact LBHI did not pay or deliver me anything, until five years after we entered into that CSA Agreement.

13. Even after the CSAs became subject to "Limited Conditions" I was not permitted to draw down on the shares until five years after the date of the CSA Agreement. During this entire time my right to draw down on the shares was contingent on my continued performance of contract obligations.

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. LEHMAN BROTHERS

CHAE J. ODRICH
MANAGING DIRECTOR
HEAD OF PRIVATE EQUITY

June 17, 2008

Dear Partner,

We are pleased to update you on the current status of the Lehman Brothers Partnership Account, which is invested together and in parallel with related vehicles (together, the "Partnership Account" or the "Fund"). In June 2000, the Firm awarded opportunities to participate in the Fund with notional Firm-provided leverage to employees through the Vice President level. As of July 2003, you became fully vested and entitled to receive payments from the Fund to the extent they become available, regardless of your employment status with the Firm.

Partnership Account Performance and Overview

As of December 31, 2007, the Fund invested \$458 million and has now committed all of its capital. The Fund has allocated its investments among the Lehman Brothers Private Equity asset classes in the following approximate ratios: 66% to Merchant Banking, Venture Capital, Real Estate and Fixed Income; 23% to Private Fund Investments; and 11% to the Fund of Hedge Funds.

As of December 31, 2007, the gross IRR for the Partnership Account was 20%, which represents an implied multiple of notional equity of 7.6x. Gross IRR represents the pre-tax, compounded annual internal rate of return based on estimated values of investments and gross cash flows into and out of investments.

In October 2007, a distribution of \$2,169 per unit was made to each investor, which represents 318% of the notional equity invested in the fund. We continue to monitor the cash balance in the fund and will apprise you prior to making additional distributions.

Example of Partnership Account Returns

The chart on the following page illustrates the Fund's return mechanics valuing the investments as of December 31, 2007. This example assumes the award of \$10,000 from the Firm to an employee, of which \$7,500 (base award of \$682 and notional leverage of \$6,818) was actually invested. As of December 31, 2007, the value of the employee's investment net of the distribution would be approximately \$3,045. The total value of the investment including the \$2,169 distribution represents a 7.6x multiple of invested capital. As this is only a hypothetical example, the actual amounts you receive may differ.

Valuation Analysis as of December 31, 2007

Note: as of 12/31/07, there is no remaining leverage outstanding.

Past performance is not indicative of future results, and there can be no assurance that the Fund will continue to achieve comparable results to those set forth herein. Calculation methodology is explained further below, and this data is indicative of the performance of the Fund. The total value displayed on the above chart includes all distributions received and the current value of unrealized investments. The actual realized values of unrealized investments may differ materially from their current carrying values which are used for calculating total value. Actual values of currently unrealized investments cannot be determined until the occurrence of liquidity events and the repayment of all leverage and associated interest costs. Actual realized values of currently unrealized investments will depend on, among other factors, future operating results, market conditions at the time of disposition, legal and contractual restrictions on transfer that may limit liquidity, any related transaction costs and the timing and manner of sale, all of which may differ from the assumptions and circumstances on which the current unrealized values are based.

Below, we offer performance data by asset class as of December 31, 2007, for investments made thus far. Unrealized publicly-traded investments are valued based on closing market prices on December 31, 2007. The methodology of calculating unrealized privately-held investments differs among asset classes and is detailed below. Please refer to the investment update attached to this letter for more detail on investment allocations and performance by asset class.

Merchant Banking

The Partnership Account's only Merchant Banking investment was Consort Resources for \$9.2 million. Consort was realized on a gross basis at 117% of the invested amount following its acquisition by Caledonia Oil and Gas Limited in October 2003. The \$10.8 million of proceeds from this investment was used to repay interest and leverage.

Venture Capital

The Partnership Account invested a total of \$176 million in venture capital investments, which comprise several sector and geographical sub-categories. Unrealized venture capital investments are generally valued at cost; although several of the investments have been marked up or down to reflect market changes. As of December 31, 2007, the blended total value of all venture capital investments, including the distribution, was 116% of invested capital.

Real Estate

The Partnership Account is a significant investor in Lehman Brothers Real Estate Partners I, with a total of \$108 million invested in real estate as of December 31, 2007. To date, investments have been realized for \$301 million of value. Unrealized real estate investments are reflected at their fair values which are determined through discounted cash flow analyses. As of December 31, 2007, the total value of realized and unrealized real estate investments, including the distribution, was 279% of invested capital.

Private Fund Investments

The Partnership Account invested \$105 million in funds that are managed by top third party private equity fund

Page 3 of 3

nagers. The Partnership Account has received \$137 million in proceeds from these investments. Private fund investments are reflected at net asset value of the underlying funds as reported in their most recent financial statements. As of December 31, 2007, the total value of assets in private funds, including the distribution, was 192% invested capital.

Fixed Income-Related

The Partnership Account invested in the "equity" component of two CDOs for a total of \$9 million. Unrealized CDO investments are valued based on accrued and paid cash interest, sales proceeds and principal repayments assuming a minimal value determined by the market. As of December 31, 2007, the total value of fixed income investments, including the distribution, was 109% of the Fund's investment cost.

Fund of Hedge Funds

In December 2004, the Partnership Account realized its entire \$50 million investment in Lehman Brothers Fund of Hedge Funds for \$59 million, representing 117% of invested capital. The Fund of Hedge Funds was divided between long/short fund and a diversified arbitrage fund.

Firm-Provided Notional Leverage

When the Partnership Account was established, Lehman Brothers provided employees through the Vice President level with an award based on a base amount and notional 10x leverage. For example, an original Partnership Account award of \$10,000 consisted of a base component of \$909 and notional leverage of \$9,091. However, due to the available investment opportunities, the actual amount invested was \$7,500 per \$10,000 unit with a base of \$682 and notional leverage of \$6,818.

All currently outstanding Fund notional leverage and associated interest costs have been repaid. As Lehman Brothers awarded you the opportunity to participate in the Fund, all distributions you receive under the Fund, if any, will be treated as ordinary income to you for tax purposes.

We are pleased with the performance of the Fund to date. We will continue to manage this portfolio aggressively to maximize value and returns to our investors. We will keep you periodically updated on the Partnership Account. In the meantime, please do not hesitate to call Private Equity Investor Relations at (212) 526-9970 with questions regarding your investment.

Sincerely,

Mike
